

Galion habille vos produits!

Unipack Range[®]

Galion offers a range with a wide choice of packaging in different shapes and volumes ranging from 600ml to 1200ml. They are intended for the packaging of food and non-food products. It completes the Superlift range, with which it shares certain aspects, to offer customers a variety of packaging up to 13L.

MAIN ADVANTAGES

Unipack Range [®]

- Different shapes available (round, oval, and tray)
- Optional handle on rounds pots
- Quality body and lid decoration (Offset/IML)
- Optional and common covers for multiple volumes
- Resistance to hot and freezing filling
- Presence of a collar incorporating the handle guaranteeing better robustness of the bucket and optimization of the decorative surface

Name	Shape	Under Lid	Dimensions	Height without Lid	Protective Collar	Tamper Evidence	Decoration		Handle
